SUBJECT: **FUNDING REALLOCATION FOR RENEW INTEGRATED PROGRAM-2, INC.,
CONTRACT NO. PH-000508**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for Renew Integrated Program-2, Inc. using the delegated authority granted by the Board on June 10, 2008 (Board Agenda Synopsis #31). This agency's agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of Public Health or his designee to make such funding changes.

I am recommending this funding reallocation based on the Sobky v. Smoley court litigation which allowed agencies to request additional funds to cover persons eligible for Drug/Medi-Cal services. The current and proposed funding amounts are as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment

Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.
